

## Prophetic History Timeline Part 1 of 2

---

1980 -  
Community Bible Church Established

1990 -  
Alan DeBoer installed as Lead Pastor

*“Vision of Nations” I had a vision that Pagosa Springs was a front porch with young people of all ages running in and out the front door. They all were dressed in primary colors, so bright and clear. The Lord confirmed revealed that He was going to send the nations to Pagosa Springs and the primary colors represented the flags of the nations.*

1992 -  
*A friend of a member of the church family went to Israel and was told by many prophetic people there (mostly Messianic Jews) that they had been receiving words, dreams, and visions from the Lord regarding “escape routes” around the world. She saw some of these maps of routes that had been drawn up. She said before this she had never heard of Pagosa Springs, but on one of the maps she saw the name. There is coming a time a great upheaval in this nation and around the world and many will seek refuge in “cities of refuge” established by the Lord to protect his people. She told me there would be children, young people, Jews, and peoples from every nation taking refuge in cities set apart by God. Pagosa Springs will be one of those cities. (**Exodus Story Ex. 19:4, Rev. 12:6,14**)*

**1994 -**  
Pastor Al encounters the ministry and of the gifts of the Holy Spirit

CBC begins to embrace ministry gifts encounters with the Holy Spirit

1995  
*“Vision of River” Pastor Al was leading the church into a turbulent “forerunner” river. The river was stripping away all worldly mindsets and shaking all things not built on the rock of Christ. Pastor Al was in the river to his waist but many people who were following him were afraid to enter and would only go in ankle deep. Soon other people begin to go deeper into the forerunner river. As we entered*

*the deep together everything the river touched turned from brown and dead to green and full of life. (Eze. 47:1-12)*

*Really strong sense to pray for the "Peace of Jerusalem" and we displayed the Palestinian and Israeli flag next to each other as a prophetic symbol of the promise of God. Isaac and Ishmael word (**Gen. 16:11-12, Is. 19:23-25**)*

Intentional focus on prayer and worship

Prophetic Word *"In the coming days, God will confide in us more and more of His plans for Restoration Fellowship and all the churches and people of God in Pagosa Springs. He will restore and reconcile (Forerunner Spirit) and we will see the spirit of division fall and the Spirit of God and His Unity and Oneness come about. I could hear rain falling. I turned and looked the other direction to see the rain, but I was only hearing it in my mind. The Lord said to me, "I will bring the nations to Pagosa." (Mal. 4:5-6)*

## 2007

Prophetic Word *"The Lord desires Pagosa Springs to be a "Watering Hole to the Nations" You are sending people to the Nations and I will send the Nations to you if you enter into the deep waters of the (River of life). I am calling to to jump into the waters of aggressive intercession, evangelism, and spiritual warfare outside of your four church building walls. To enter the river you must live a set apart life (Forerunner), ask me for deep intimacy, a greater measure of my Spirit, and strive to enter my rest and then I will send the Nations to Pagosa, and they will take back what they receive from you to the Nations they are from. I will make you a true watering hole to the nations. (Mat. 11:28)*

2009 Prophetic Word - "Vision of Angel Army" *God has anointed the RF (Restoration Fellowship) to be the hub over this city and entire area between the San Luis Valley and Cortez, etc. I told them God had placed them to be a "safe place," a "place of refuge," and as an "underground railroad" depot or weigh station. I felt the Lord stress how important it is to prepare for tough times ahead. I believe that the Lord would raise R.F. up as forerunners, a strong and fervent Zionist friend of Israel and Jews to help lead the church in their city into its destiny.*
