

When do we stop submitting to our state and local authorities when it comes to shutdowns?

How do we walk out the mandate of (Rom. 13:1-7) when the bible tells us to "not forsake the assembling of ourselves together" (Heb. 10:25)

Do you view the current shutdowns as persecution of the church?

Will we suspend services if someone from our church family tests positive for COVID-19?

Will you let the church know if someone does test positive?

I'm confused, some people are wearing masks and some are not wearing masks? Are we or are we not wearing them in church?

Is there a scriptural president for insisting on our right to worship?

If the government is mandating us to wear masks and believers are not wearing them are they under God's judgment according to Rom. 13?
