

## I. Unprecedented

- A. Reviewing the Season - The significance and transitions of seasons are usually unclear in the onset and only partially discernible in the moment. It's only in hindsight that they can be seen more clearly for what they are. In hindsight, this is one of the most significant seasons in our lifetime concerning the nations, our state, and our church family as it pertains to fulfillment and furtherance in prophetic destiny. (Prophetic Scripture and Confirmed Prophetic Words)
1. Nations - Rough estimates from online registrations and corporate gatherings range around 7 to 8 million individuals participated in 21 days of fasting and prayer for Israel culminating, in approximately 160 million participating on May 28th, Pentecost Sunday. (1 person for every 50 people on the planet, 10 people for every 1 Jewish person).
    - a. Previously, the largest worldwide prayer effort recorded was 50 million praying for the mission's movement in the 10/40 window.
    - b. This monumental collaboration happened in an extremely short time (7 weeks) with very little organized advertising. It brought together 14,000 ministries and hundreds of thousands of churches.
      1. One of the greatest signs in the prophetic scriptures is a sovereign turning of the nations in prayer and practical outreach to the Jewish people and the nation of Israel. (Rom. 11:25-26; Jer. 16:14-15, 23:6-7; 31:6-7,10; Is. 62:6-7,10-11; Zec. 8:19-23; Rev. 12:5-6, Ez 20:33-37)
  2. State - On May 7th, over 50 leaders from the State of Colorado gathered, along with roughly 500 individuals here in Pagosa Springs, to launch the State in 21 days of organized fasting and prayer and respond practically to stand with Israel uniquely as a state. This event culminated on the 28th in Denver and a commitment was made to maintain a standard of corporate prayer for Israel as a State through the platform of Colorado Prays.
    1. I have been contacted by 2 different State representatives to give feedback on these events and talk about furtherance of these efforts within the State. Combine this with the aforementioned announcement.

*“This church is uniquely called to be mature in their understanding of standing with Israel. God told us to come here because you are going to hold forth something in this city and in this state of Colorado that is mature and balanced about having a connection to Israel in a way that will be helpful to many people.” (Dan Juster, July 2018)*

*We have thousands of churches and thousands of ministries who are responding to the Lords call to stand with Israel at this hour. But no one is doing what Colorado is doing, I am not even sure any state could do what Colorado is doing. But I can't wait to tell people about this unique work of God and pray that other states will look to you for guidance on how to foster prayer and unity for Israel like you have. (Mike Bickle March 8th 2023)*

3. Restoration Fellowship - Three major events took place during the month of May that brought us into new depths concerning our prophetic destiny.
  - a. Restoration Fellowship hosted the Kickoff event for the Statewide prayer and worship and practical efforts to stand with Israel, followed by 21 days of corporate fasting and prayer with an average of 30 to 40 people per prayer meeting, with many of these meetings being live worship. Consider also the aforementioned announcement.

*Pagosa Springs will be part of a network of areas of Refuge. At the center of every area of refuge must be a Prayer Room, a place dedicated to personal intimacy with Jesus. The prayer room will be the place where the city receives insight from the Lord during the time of great crisis that is coming. People will be in great need of emotional, spiritual, and physical healing and Rest. (Stephen Burke July 30th 2012)*

- b. The food pantry ministry absolutely exploded to feeding roughly 2600 people per week and has moved to a new 5000 square foot location. This new facility expansion has happened within about a three week period from the onset of a prophetic word to expand.

*It was a real shift for us, but when we said Yes as a church to the Lord's invitation to stand with Israel practically and spiritually in tangible ways, as a part of our DNA, everything exploded, especially our food ministries. We had to build additional facilities just to store it and so many resources were extended to us it was a whirlwind. (Mike Polhemus, The Rock Church)*

- c. In the month of May we have finalized a total re-organizational structure (a 4 month process) for our church leadership flow and function that will allow for both the health and expansion in multiple arenas of church life and ministry. We strongly believe this reorganization effort is according to God's encouragement to position us for what He is currently doing and wants to do concerning our prophetic destiny.

*“I have made you a spring of living water, your waters will flow in all directions and touch many people (Nations). It's time to press into humility as I lift you up. The nations will begin to seek you out because you have something that is totally different. Do not try to use the same structure or method that you did in the past or a pattern that someone else does. It is a new day and I am doing a new thing, you are a forerunner ministry. I will join you to Israel in a new and a clear way. It's time to move forward with a fresh vision and I am going to pour out my Spirit in a new way upon you.” (Dell Sanchez 2016)*

*I had a very powerful encounter with the Lord concerning my scheduled time to come out and be with you guys May 21st. He told me clearly that I was not to come as you all have received and are fulfilling a major assignment from God currently. I do not want my coming to interfere in any way with what you're currently doing. I would love to come and be with you guys later this summer and confirm the good work He is doing in your midst. (Jeremiah Johnson May 11th 2023)*

- B. In the midst of the mundane - It's so easy to miss the significance of the work of God in our lives because it generally happens gradually in the midst of the mundane and the weakness of our frame. The activity and glory of God gets watered down by the human process and the residue of life's dullness and pain but this is often how He chooses to work in this age. (1 Cor. 1:26-31)
- C. Personal Interpretation - It is my personal interpretation that this past month has been by far the most significant season of the activity of God, for the fulfillment of biblical and personal prophecy in my entire life and in the nations. I submit to you all this review of the last month for you to weigh and test and respond according to the leading of the Spirit. I am believing for God to stir up faith in our midst like never before, to lay hold of God's promises over our church family, our city, state, and world afresh and anew. (Is. 43:18-19)

*Ask rain from the LORD in the season of the spring rain, from the LORD who makes the storm clouds, and he will give them showers of rain, to everyone the vegetation in the field. (Zec. 10:1)*
