- ***Providing community support; ie. meals, etc.***

## Core Values:

1. **Christ Centered:** In all that we do, Christ is our cornerstone. Our mission and every action we undertake are dedicated to reflecting His love, following His example, and glorifying Him. Through our work, we aim to embody the principles and teachings of Christ, ensuring that our missionary support efforts are always aligned with His will.

2. **Holy Spirit Led:** Our actions and decisions are guided by the discernment and direction of the Holy Spirit. We believe that being led by the Spirit is crucial in identifying and fulfilling the most effective and needed forms of missionary support.

3. **Evangelism:** Central to our committee's ethos is the commitment to evangelism—actively spreading the Gospel and supporting missionary work that seeks to reach and uplift those yet to know Christ.

4. **Kingdom ROI:** We prioritize investments in the spiritual growth and support of missions with an eternal outlook, focusing on the transformative impact our contributions can make in the lives of individuals and communities, thereby advancing the Kingdom of God.
